

Quality Policy Mission Statement

AM Services Group Ltd are committed to meet the requirements and continually improve the effectiveness of its quality management system in accordance with BE EN ISO 9001:2015 to provide an efficient, managed quality service on behalf of our clients.

This goal will be achieved by:

- Developing long term mutually beneficial business relationships with our clients, service partners and suppliers. Provide a framework for establishing and reviewing quality objectives.
- Treating our staff, clients, service partners and suppliers with respect, openness and honesty.
- Creating an environment for our staff to succeed and develop.
- Providing total support to our clients in discovering, implementing and maintaining cost effective solutions for their developing needs.
- Management will ensure this policy will be reviewed on a regular basis to confirm the effectiveness and suitability of the system
- Management will ensure that it is communicated and understood within the organisation.

The management shall ensure that the management system is subject to continual improvement
